Governor extends Nyetrii-Dow Festival greetings

The Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.), extended his warm greetings and best wishes to the Hrusso community and the people of the State on the joyous occasion of the Nyetrii-Dow Festival. He expressed his hope that the auspicious celebration bring happiness, harmony and prosperity to all.

In his message, the Governor said that festivals are deeply rooted in the beliefs, faith, traditions and livelihoods of our communities. They reflect our close relationship with nature, reverence for the Almighty and gratitude for the blessings that sustain life. In our predominantly agrarian society, traditional festivals have long been associated with agriculture, offering prayers for a bountiful harvest, protection of crops and the well-being of the community.

The Governor said that Nyetrii-Dow is an important expression of the rich cultural heritage and collective identity of the Hrusso people. Such celebrations provide a valuable opportunity for the younger generation to understand their ancestral traditions, take pride in their cultural roots and carry this precious legacy forward. I am confident that the Hrusso community will celebrate the festival with great enthusiasm and traditional fervour, he said.

On this auspicious occasion, I join my Hrusso brothers and sisters in praying to the Almighty for good health, abundant harvests and continued socio-economic progress of our people, the Governor said in his message.
