CRPF DG calls on the Governor

Governor commends the CRPF's contribution in supporting the State Police, maintaining security and building public confidence

The Director General of the Central Reserve Police Force (CRPF), Shri G.P. Singh called on the Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.), at Lok Bhavan, Itanagar, on 20th November 2026. They discussed issues relating to law and order, operational preparedness, intelligence coordination and the role of CRPF in strengthening internal security in the State.

The Governor commended the CRPF's important contribution in supporting the State Police, maintaining security and building public confidence. He observed that Arunachal Pradesh's difficult terrain, remote habitations and sensitive security environment called for a well-coordinated and responsive security mechanism.

The Governor encouraged the Force to give greater attention to community engagement and confidence-building. He suggested making civic action programmes an integral part of its activities through medical and veterinary camps, sports events, youth interaction and awareness campaigns against drug abuse and other social challenges. He also stressed the importance of encouraging local youth, particularly young women, to participate in skill-development programmes, sports and recruitment opportunities in the security forces.

Highlighting Arunachal Pradesh's vulnerability to landslides, floods and earthquakes, the Governor advised the CRPF to strengthen its disaster response capabilities, including search and rescue, emergency medical assistance and relief operations. He also called for closer coordination with the State's disaster management authorities and district administrations.

The Governor said that the CRPF must continue to remain a disciplined, professional and people-friendly force, combining operational efficiency with sensitivity towards local communities.

The Director General assured the Governor of the Force's continued cooperation and best possible support to the State.

PRO to Governor
