Medicines dispatched to D/Valley

ITANAGAR, May 18: The Muskan Welfare Society (MWS) has dispatched packages of medicines to Dibang Valley district to mitigate the suffering of the people there besieged by calamities brought by torrential rain and landslides over the last one month.

Expressing solidarity with the people stranded in the district, MWS president, first lady Anupama Singh, today expressed hope that the gesture would help in mitigating the difficulties being faced by the people there.

“Please let us know if we can be of any other assistance in these trying times,” she said.

The packages contain

more than 60 varieties of medicines procured on the basis of the list provided by the D/Valley deputy commissioner. (PRO to Governor)
