The celebration of festival 'Poi Peemau' is an effort to showcase the age old cultural heritage and traditions for promoting and preserving the ethnic art and culture, games and sports, food habits and other social functions of the Tai Khampti community.

May this 'Poi Peemau' festival herald peace, prosperity and greater unity among the people of Tai Khampti in particular and the people of Arunachal Pradesh in general.

On this festive occasion, I convey my best wishes and warm greetings to our Tai Khampti brothers & sisters and all participants for being put their sincere efforts to make this festival a grand success.
