## **MESSAGE**

On the auspicious occasion of Buddha Purnima, I convey my heartfelt greetings and best wishes to all my fellow Arunachalees in general and to our own Buddhist community in particular. I hope the festive occasion will help in the dissemination of the teachings of Lord Buddha and also strengthen the emotional integration and mutual understanding amongst our citizens.

One of the greatest spiritual teachers of mankind, Gautam Buddha had enlightened each one of us through his teachings and shown the path of truth and eternal values of non-violence to entire humanity. His teachings encompass the entire 'Wheel of Dharm', with its central axis of ethical discipline and have the power to transform our lives and fill us with abiding spiritual strength.

May the propitious occasion imbibe Lord Buddha's teachings in all for the enduring wellbeing of each member of the society.

Gen JJ Singh,
