MESSAGE

I extend my heartiest greetings to my brothers and sisters of the Adi community and the people of Arunachal Pradesh on the occasion of Solung.

I believe that celebration of such festivals is an essential part of our lives, which facilitates preservation of age-old cultural traditions thereby protecting and revitalizing the socio-cultural identity, which is the need of the hour.

May Kine Nane, Dadii Bote and all Gods and Goddesses of Solung light up our lives with good thoughts and deeds to unleash greater peace, happiness and prosperity for all of us.

I once again wish a Happy Solung to one and all.

General J J Singh
