MESSAGE

On the festive occasion of the eighth Buddha Mohatsava, the Cultural Tourism Festival of Arunachal Pradesh, I extend my heartiest welcome to all to the three-day mega tourism extravaganza at Tawang, which commences from November 9. I am sure it will be an experience that the participants and tourists will cherish forever.

The Buddha Mahotsava aims to promote Arunachal Pradesh as a special travel destination for those seeking the spiritual and unique cultural experience. It also seeks to explore ways to present the pristine and rich tourism potential of the State. Amidst the grandeur of the mountains peaks, lush green valleys and fast flowing rivers, the festival offers visitors a truly singular experience. It will give succour to the people looking for mystique peace and harmony with the nature.

In order to facilitate visitors to Tawang, seat of the world famous Tawang Monastery, the Guwahati-Tawang Pawanhans chopper service will be in service. It may be mentioned here that Prime Minister Dr. Manmohan Singh had announced this service to put Tawang on the global tourism map during his visit to the state early this year.

Once again, I convey my felicitations to all Arunachalees on this auspicious occasion.
