MESSAGE

On the auspicious occasion of Baisakhi, I extend my best wishes and greetings to all Arunachalees. I hope this, Baisakhi, which is also the Hindu Solar New Year Day, fosters communal harmony and prosperity for all.

Baisakhi is of special significance to the Sikhs. On this day in 1699, Guru Gobind Singh organized them into the 'Khalsa', brotherhood of man. In Punjab, farmers start harvesting on this day with great fanfare and villagers perform the 'Bhangra'.

On this joyous occasion, I offer my prayers to Guruji and Almighty for universal brotherhood and peace.
