**VAISAKHI and SANGKEN  
(14<sup>th</sup> April 2010)**

On the auspicious occasion of Sangken and Vaisakhi, I extend my greetings and good wishes to all my fellow Arunachalees. I hope that these festivals, which signal the dawn of the new year, will usher peace and prosperity for all.

May these festivals bind each one of us in fraternal love and affection and inspire us to work for the unity, progress and well being of all.
