MESSAGE

On the auspicious occasion of 24th Statehood Day of our beloved State, Arunachal Pradesh, I extend my heartiest greetings and felicitations to all the people of our State. I also convey my appreciation to the people of the State for the team spirit, hard work, commitment and perseverance in maintaining and preserving Arunachal Pradesh as an oasis of peace and tranquility as well as maintaining the spirit and pace of development projects for socio-economic progress of the State.

On this historical occasion, I join every resident of Arunachal Pradesh in paying glowing tributes to our beloved leader Late Shri Rajiv Gandhi, former Prime Minister of India. It was he who took personal initiative in granting Statehood to the State thereby giving an opportunity to all of us to shape our own destiny.

Living up to the expectations, our State has made tremendous advancement in the last twenty-three years. Under the able guidance of our far-sighted and committed political leaderships, dedicated administrators, energetic youth and hardworking people, we have come a long way and are today inching towards standing at par with many developed States of our great country.

With the Prime Minister's developmental package giving impetus to the projects, infrastructural development, in terms of road, air and rail communication, power projects, health, education and rural development has improved considerably both in terms of quality and quantity.

The State Government with its committed endeavour has been providing effective governance through transparency in its approach, accountability, political stability, ensuring rule of law, justice for all and control over corruption. I see a more developed and more prosperous Arunachal Pradesh in the near future.

My dear Arunachalees, on this festive occasion, let us make an effort with missionary zeal to bring a smile on the faces of all our brothers and sisters. Let us pledge to work unitedly as 'Team Arunachal' to contribute all that is possible for its progress and prosperity. Let us also renew our commitment for a 'Clean, Green and Plastic Free Arunachal.'

Let us remind ourselves of the onerous responsibility that has been placed on our shoulders as residents of our young State and ensure that in the discharge of this duty, we will make everyone proud.

Jai Arunachal, Jai Hind.
