MESSAGE

On this auspicious and joyous occasion, I wish all my fellow citizens a very happy and merry Christmas. I hope this occasion of festivity ushers in an era of universal brotherhood and love, promoting peace and humaneness amongst all our brothers and sisters of Arunachal Pradesh.

As we sit down with our families, our friends and loved ones - it is important to pause and reflect upon the lessons learnt in the last one year - lessons perhaps best summed up in this quote from an unknown poet:

"When the power of love overcomes the love of power the world will know peace."

I offer my prayers to Lord Jesus to strengthen our will in the pursuit of justice for all and grace us with the good sense to distinguish the wrong and easy from the right. May this Christmas bring the choicest of Blessings and a spirit of happiness to our beloved State.
