PRESS RELEASE NO- 301

Governor appeals all to participate in the Earth Hour

Itanagar, Mar. 25: Arunachal Pradesh Governor Gen JJ Singh has appealed to the people of Arunachal Pradesh to participate in the Earth Hour, which is an initiative of World Wide Fund for Nature to stop the degradation of the Earth's natural environment and build a future where people live in harmony with nature.

In his Appeal, Governor called upon all my Arunachalee brothers and sister to be part of the very important endeavour of World Wide Fund for Nature to make one small but significant change for our planet by switching off the lights in their houses, office premises and commercial establishments for an hour from 8-30 pm to 9-30 pm on March 26 last.

Let us make a small contribution for the planet we live. Let this one hour of darkness be our first step towards our bright future and that of our children, Gen Singh appealed, **reports PRO to Governor**
