

**PRESS RELEASE NO- 304**

**Raj Bhavan observes Earth Hour**

**Itanagar, Mar. 26:** Always leading with examples, Governor Gen JJ Singh and State First Lady Anupama Singh along with Raj Bhavan officials observed 'Earth Hour' to its true spirit at Raj Bhavan here. Other than few security lamps in the periphery of the compound, lights were switched off from 8.30 pm for an hour, **reports PRO to Governor**

The first couple, who always have been advocating for minimum use of energy and proper use of other natural resources, impressed upon Raj Bhavan officials and others towards promotion and practice of conservation of energy to reduce impact on the environment and on the planet.

Earth Hour, which is considered as a biggest annual participatory event organized by World Wide Fund for Nature (WWF). It is held annually on the last Saturday of March. The idea was conceptualized by a leading Australian daily wherein millions people from business establishments and residents stood in support for the cause.
