PRESS RELEASE SL No- 1519

Governor lays foundation stone

Khonsa, December 13: In the day-long visit to Khonsa, the Governor also laid a foundation stone for integrated rainwater harvesting system of 1,50,000 liters capacity near Khonsa Police State, **reports PRO to Governor.**

Highlighting on the Project Tirap Deputy Commissioner Sachin Shinde armed with detail rainfall reports of last four years said that during rainy season large amount of water is washed away and during off season there is huge scarcity of water. To address the challenge, the project has been taken up by the district administration. Khonsa has highest amount of rainfall on 1003.20 mm in the month of July whereas it has 7.20 mm in the month of December on an average.

Shinde further informed that the project will be implemented by District Rural Development Agency and is funded under District innovation fund.
