**HEALTH OF THE PEOPLE MUST NOT BE TAKEN LIGHTLY:
GOVERNOR TO DOCTORS**

Hon'ble Governor of Arunachal Pradesh Shri P.B. Acharya visited Itafort Dispensary, Itanagar on 30th January 2017 and interacted with the doctors, nurses and patients.

Expressing his dismay at the condition of the facility, the Governor said that health of the people must not be taken lightly. He advised them keep the compounds clean.

During the visit, the Governor participated in the Polio Immunization programme and administered the two-drop polio vaccine to each of the under 5 years children, present for the purpose at the hospital.
