ARUNACHAL PRADESH  
ITANAGAR  
PRESS RELEASE**

**Success and failure of welfare schemes and programme implementation  
depend on you: Governor to HoDs**

The Governor of Arunachal Pradesh Shri P.B. Acharya, who is on a two-day official visit to Lohit District interacted with the District Heads of Departments at Tezu on 6<sup>th</sup> August 2017. Local MLA and Minister Veterinary & Animal Husbandry and Art & Culture, Dr. Mohesh Chai and Secretary to Governor Shri Vinod P Kavle were also present in the meeting.

The Governor said that the Government Officials are the pillar of the society and the government. Success and failure of welfare schemes and programme implementation depend on them. He advised them to go beyond their department agenda and reach out to the people.

Work with spirit of 'Sabke Saat Sabke Vikas', If we don't strengthen the weakest link of the society, the poor and disadvantage section of the society, the State cannot progress. Have road maps for next five to ten years, he emphasised.

The Governor also advised the officials of any wrong doing. Our society is now educated and rising and each one is accountable. He suggested for third party monitoring by the dormant energies of the society, which includes Ex-Servemen, senior citizens, university students, educated household wives and Red Cross Society.

While stating that the State has fertile and adequate land and conducive climate for agricultural and horticultural activities, but vegetables and fruits come from other States, Governor said that it is a shame and challenge for the departments and the local communities. He emphasised on strengthening the agriculture and its allied sectors in the State.

The Governor shared his deep concern about drug addiction in the district.

The Governor also advised the officers on education, healthcare, electricity, road, tourism, food security, rain water harvest, medicinal plants, fruit processing unit and mid-day meal.

Deputy Commissioner Shri Danish Ashraf briefed the Governor on the development projects in the district, including Swachh Bharat Abhiyan. He informed that the District Administration has destroyed 433 hectares of opium cultivation and has alternate livelihoods have been proposed. Superintendent of Police Shri Isaac Pertin also briefed on security issues.
