PRESS RELEASE

Let us strive towards '**Ek Bharat Shrestha Bharat**', the Governor appealed in his
New Year message to the people

The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) has conveyed his warm greetings and good wishes for a healthy, happy and prosperous New year 2018 to the people of the State on the joyous occasion of New Year. He wished that every citizen lives with peace, amity and goodwill in the society.

In his New Year greetings, the Governor said that New Year ushers in hope of change and expectation for better days. New Year also gives us a chance of making fresh resolve and pledge for review and reform. Let us, this year have hope of progress and expectation for peace. Let us, this year resolve to eliminate our limitations and pledge to strive hard for our State's progress.

In the New Year, as the first citizen of the State, I am taking up a Mission. My mission is '**Hamara Elan Swachhta aur Nari Utthan**'. It implies making our beautiful State Capital, Itanagar. '**Clean for all and safe for our Matri Shakti**. Let this New Year slogan of ours resonate loud and clean and let all our fellow citizens add value to this motto. Let us strive towards '**Ek Bharat Shrestha Bharat**', the Governor appealed.

The Governor further said "In the New Year, let the good administration and good governance be our watch words. Let all our Development Projects be implemented with probity, rectitude, transparency, accountability and be subjected to audit and review for reaching out their benefit to the last man in the social order. Let us try to give every child access to proper school and schooling. Our mission would be to enable the unfortunate 'sick' have access to proper treatment and health care. Let all our citizens stand against corruption and misuse of public funds".

The Governor, while expressing his concerned for the youth of the said "We will strive to help our youth develop skill and stand up to 'make in India'. We shall make our Nation internally and externally secure. We have hope that there would be no 'diminish' in the wellbeing of any of our people". May we all be safe, secure and sagacious in our New India of year 2018, the Governor wished.
