PRESS RELEASE

Prime Minister plants a sapling at Raj Bhavan

The Prime Minister of India Shri Narendra Modi planted a sapling of Bael (Aegle marmelos- Stone Apple) in the front lawn of Raj Bhavan, Itanagar on 15th February 2018. The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra and Chief Minister Shri Pema Khandu were present on the occasion.

While planting the sapling of Bael, the Prime Minister highlighted the medicinal value of the fruit and the syrup made out of it.

Going by the tradition of planting of saplings in the Raj Bhavan compound by visiting dignitaries to Arunachal Pradesh, the Prime Minister has added another green to the premises of Raj Bhavan, Itanagar.

PRO to Governor
Arunachal Pradesh
ITANAGAR, February 15, 2018
