PRESS RELEASE

Governor interacts with students

The youth must prepare themselves to address the challenges of the future through entrepreneurship and self-employment: Governor

The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) interacted with the students of Rajiv Gandhi University, Rono Hills, Doimukh and National Institute of Technology, Arunachal Pradesh at Raj Bhavan, Itanagar on 7th March 2018.

Continuing his endeavour in reaching out to the students of higher and technical institutions of Arunachal Pradesh, the Governor had a interaction session on the topic, 'Prepare oneself towards entrepreneurship and self-employment'.

The Governor said that the workforce is increasing in geometrical proportion but the jobs are increasing in arithmetical progression, which is causing a mismatch in the numbers of job seekers and jobs availability. The youth, therefore must prepare themselves to address the challenges of the future through entrepreneurship and self-employment. They must imbibe the spirit of innovation and change their mindset for sustainable livelihood beyond the realm of jobs and service.

The Governor advised the youth to go for skill development and vocational trainings. He highlighted the important vocational training programmes undertaken by the government, including Craftsmen Training Scheme, Modular employable Skill based training programmes, National Rural Livelihoods Mission, National Urban Livelihood Mission, Support to training and employment programmes, PARVAAZ, Rural self Employment Training Institutes and Tools Rooms.

The Governor also informed the youth regarding the subsidized loans provided by the Government such as Pradhan Mantri MUDRA Yojana, Mahila E-Haat and 'Stand up India' scheme.

The Governor highlighted the sectors which have huge scope for development such as automotive, electronics system design & manufacturing, renewable energy, pharmaceuticals and food processing.

Strongly advocating against corruption and dishonest practices, the Governor said that every member of the society is responsible for ensuring transparency and securing an accountable society. Everyone must resolve to take stand against the dishonest practices in the society. He emphasised on open, clean and user-friendly administration and a society where there is amity and oneness.

The students shared their views and wanted introduction of skill development courses in the schools, colleges and universities.
