PRESS RELEASE

Governor meets District Officials

The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) interacted with the District Heads of Department (HoD) of Kra Daadi District at Palin on 22nd May 2018.

Interacting with the District HoDs, the Governor said that the interaction is his effort to learn more about the developmental activities, the people and their challenges through government officials.

Nowhere in the world, there are so many developmental projects, schemes and programmes as it is today in India. If all these programmes are implemented, there will be prosperity and progress.

Exhorting them to put in extra effort, the Governor said that the main aim of every official must be to ensure that last person on the last rung of the society is benefited. If we honestly and vigorously implement the schemes, we can do it, he added.

The Governor advised the officials to reach out to the people and not to be chair bond. He asked them to be 'field men' and said that with such attitude in the government officials, the common man and the targeted population will definitely benefit.

Emphasizing on the success of Swachh Bharat Abhiyan, the Governor urged upon the officials to get involved in the mission. He advised them to make each and every citizens that the mission is for the benefit of the people.

Swachh Bharat Abhiyan is the foundation for a healthy society, the Governor pointed.

Kra Daadi Deputy Commissioner along with other HoDs briefed the Governor about the developmental programmes, their achievements and challenges in the district.
