ARUNACHAL PRADESH  
ITANAGAR**

**PRESS RELEASE**

**Governor interacts with District officials of Kurung Kumey**

The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.), who is the first Governor to visit Koloriang by road, interacted with District officials of Kurung Kumey District at Koroloriang on 23<sup>rd</sup> May 2018. The district officers briefed him about the State and Central Government sponsored welfare schemes and projects which are being implemented in the district.

The Governor appreciated the officials for their positive attitude and zeal to work for the wellbeing of the people. He exhorted them to think out of box and try new ideas. Take one step everyday, which will be benefit the last man in the queue.

Your endeavour should be composite multipronged development effort, he pointed.

The Governor said that there is always a scope for improvement and the official must put in an extra effort. Be outgoing and reach out to the people. Try to know the challenges of common people and address it. Be action oriented person, he added.

The Governor further said that the government officials are the cutting edge, who can bring the much needed change and on the ground.

Emphasizing on strengthening agriculture and its allied sector, the Governor advised the officials to introduce new crops, encourage the farmers to go for cash crops and motivate agrarian community toward entrepreneurship and e-marketing. He also asked them to assist the farmers in forming 'Farmers organization' to mitigate the challenge of 'middlemen'.

The Governor called upon the officials to change the mindset of the people and create consciousness that the developmental projects such roads and airports are for them and they should cooperate. He also asked the officials to check corruption, plug fund leakages and complete the projects before the timeframe but with quality work.

During the three and half hour long interaction, the Governor emphasised on availability of textbooks to school students, use of more LED bulbs, Dulari Kanya Yojana, Jan Aushadhi Yojana and highlighted the importance road and IT communication. For improving health scenario, he suggested for short duration training programme for all medical officers on obstetrics and prenatal care.

PRO to Governor
