PRESS RELEASE

Governor visits hospital

The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.), accompanied by the First Lady of the State, Smt Neelam Mishra visited the 50 bedded Hospital at Jorung, near Palin in Kra Daadi District on 22nd May 2018. They distributed fruits to the indoor patients.

Interacting with the medical officers, the Governor suggested for short term training for medical officers including those from allopathy, homeopathy and Ayurveda on childcare, labour room management particularly delivery.

The Governor, who has been emphasizing on strengthening the Healthcare sector in the State reiterated that the people's representatives must contribute through the local area development fund in equipping the health facilities with best and latest equipments. The hospital, which caters population of 7000, requires X-ray and ultrasound machine and dental chair.

Visiting various part of hospital, the Governor was impressed by the power system of the hospital which is fully powered by solar power. He made suggested for improving the ambience of the facility.

Kra Daadi District Medical Officer Dr. Higio Tama and Medical in-charge Dr. Gimi Tang briefed the Governor about the hospital.

Later, the Governor left for Koloriang.
