PRESS RELEASE

MoS Commerce & Industry calls on the Governor

Union Minister of State Commerce & Industry Shri C.R. Chaudhary called on the Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) at Raj Bhavan, Itanagar on 28th May 2018. The Governor discussed with the visiting minister various issues related to trade and commerce in the State.

The Governor, while sharing his observation of his tours to all the twenty-two districts of the State informed the minister about the huge potential Arunachal Pradesh has in term of horticultural and forest products. Our State produces large quantity of organic products such as oranges, Kiwi, large cardamom, pineapple and tea but the farmers are not getting good prices, he said.

Arunachal Pradesh is known for its quality cane and bamboos. The quantity of bamboos can meet the requirement of Agarbati industries of the country, which are at present importing bamboo sticks from other countries, like China and Vietnam, the Governor further added.

The Governor emphasized on good market links and suggested for buyback policy to help the agrarian community of the State. He also suggested for cold storage chains for off season vegetable and fruits.
