

**GOVERNOR'S SECRETARIAT  
ARUNACHAL PRADESH  
ITANAGAR**

**PRESS RELEASE**

**Governor felicitates staff for energy conservation**

The Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) felicitated Shri Nabendyu Bhattacharjee, wireman, Capital Electrical Division-I, Raj Bhavan Power House at Raj Bhavan, Itanagar on 29<sup>th</sup> January 2019 for conservation of electricity and maximising the use of renewable energy at Raj Bhavan.

Continuing his endeavour to promote renewable energy, the Governor honoured Shri Bhattacharjee for lighting the entire Raj Bhavan for Republic Day celebration in a low cost way with more than 3000 LED, using only solar power.

As per the tradition and in line with the lighting of Delhi Rajpath and Rashtrapati Bhavan and other State Raj Bhavans, Itanagar Raj Bhavan also is decorated with tuni light every year. Shri Bhattacharjee decorated the Raj Bhavan, Itanagar on the festive occasion in a very innovative way.

The Governor, who has been strongly advocating for the energy conservation, appreciated Shri Bhattacharjee ingenious use of renewable energy in the Raj Bhavan. He exhorted officials and staff to use solar energy to the maximum, as he himself has been using solar power in his office chamber.

PRO to Governor  
Arunachal Pradesh  
ITANAGAR, January 29, 2019
