PRESS RELEASE

Governor convenes a meeting to discuss about TRIHMS

By commitment to do with whatever is available in the Hospital, the doctors and nurses can bring confidence, hope and solace to their patients: Governor

Start the blood bank and Intensive Care Units (ICU) of the hospital at the earliest: Governor

As a follow up of his visit to Tomo Riba Institute of Health and Medical Sciences (TRIHMS), Naharlagun, the Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) chaired a high-level meeting at Raj Bhavan, Itanagar on 3rd October 2019 and discussed on infrastructure and manpower issues of TRIHMS. Dr. Ashish Chandra Verma, IAS, Commissioner, Secretary Land Management Shri SK Jain, IAS, Secretary Administrative Reforms Ms Juhi Mukherjee, IAS, and Director TRIHMS, Dr. Moji Jini, were present in the meeting amongst others.

The Governor shared his observations with the Commissioner Health and advised him to initiate necessary action to utilize the equipments and facility in TRIHMS. He said that TRIHMS being a new institution all-out effort has to be made to make it functional and patient-friendly. By commitment to do with whatever is available in the Hospital, the doctors and nurses can bring confidence, hope and solace to their patients. Make best use of provisions already in hand, he stressed.

The Governor emphasised on starting of the blood bank and Intensive Care Units (ICU) of the hospital at the earliest. He also advised on expediting the process to address the shortage of manpower, particularly the nursing staff.

The Governor advised the concerned officers to progress the working of TRIHMS on a fast track basis. He said that letters and files must move faster and personal contact and visits must be made to expedite the matters so that welfare works, particularly for the sick and needy do not suffer.

The Governor also suggested display of placards inside TRIHMS to keep TRIHMS clean, neat and tidy.

PRO to Governor
