Urban Development Minister calls on the Governor

Shri Kamlung Mosang, Minister for Urban Development etc. called on the Governor of Arunachal Pradesh Brig. (Dr.) B.D. Mishra (Retd.) at Raj Bhavan, Itanagar on 18th March 2021. They discussed about land encroachment in cities of Itanagar and Naharlagun, solid waste management and Miao-Vijoy Nagar Road.

The Governor shared his concern regarding encroachment, particularly of government land with the minister. He emphasised that it must be stopped immediately and encroachers must be made accountable for their illegal action. He further said that the corrective actions must be made boldly visible on the ground.

The Governor said that a strong message must go that encroachment will not be tolerated. He suggested a thorough investigation in all reported and noticed cases of encroachment.

The Governor also shared his concern regarding the Solid and Liquid Waste Management Plant, which is lying unused at Chimpu. He advised that corrective action in this regard must be taken immediately. He also said that all plans for Solid and Liquid Waste Management should cater for next 15 years period.

The Governor discussed about the Miao-Vijoy Nagar Road with the minister, who is the local MLA of the area. He suggested the minister that the supply orders for 11 bridges required on the Road must be placed now for their manufacturing. He further emphasised that the abutments and embankments for launching of these bridges must be prepared now so that there is no loss of time.

The Governor said that acid test of the road will be when a civil bus will be able to operate from Miao to Vijoy Nagar nonstop, in all weather conditions throughout the year. He also informed about the assistances offered by the Indian Army in completion of the vital road, which must be studied seriously and availed of as needed by the State.
