**Press Communiqué**

**FSSAI Director (E & NE Region) calls on the Governor**

The Director, Food Safety and Standards Authority of India (FSSAI), Eastern & North-eastern Region, Kolkata Col. Pramod Dahitule, called on the Governor of Arunachal Pradesh Brig. (Dr.) B. D. Mishra (Retd.) at Raj Bhavan, Itanagar on 20<sup>th</sup> April 2021. They discussed about the ingredients, manufacture, preservative additions, storage, shelf life, distribution and sale of food items in fit conditions to promote health and safety for human consumption.

The Governor emphasised on the Director to also take on the duty of promoting general awareness about food safety and food standards amongst the consumers in the State. He also asked them to conduct training programmes for entrepreneurs who are into food producing and distribution business. Above all the health protection of the consumers should be the prime concern of the food items manufacturers.

The Governor suggested for having an office of FSSAI in the State so that it can provide scientific advice and technical support to the State Government in the matter of food safety and nutrition.

PRO to Governor  
Arunachal Pradesh  
ITANAGAR, April 20, 2021
