**Press Communiqué**

**Governor, Chief Minister participate in Geospatial presentation**

**Technologies, when adopted, must facilitate the State Government in analyzing existing systems, strengthening their efficiency, and finding innovative solutions to its pressing challenges: Governor**

**Geo-smart technologies can enhance governance, enable analysis, and remotely monitor the progress of planned projects: Governor**

The Governor of Arunachal Pradesh, Lt. General KT Parnaik, PVSM, UYSM, YSM (Retd.), along with Chief Minister Shri Pema Khandu, participated in a PowerPoint presentation by the President of Geospatial World, Smt Annu Negi, and Director Ms Swati Mittal at Raj Bhavan, Itanagar, on 19<sup>th</sup> September 2025. They presented in-depth details, which they can provide as a facilitating organization. This was followed by a discussion with the administration,

The Governor emphasized that the technologies, when adopted, must facilitate the State Government in analyzing existing systems, strengthening their efficiency, and finding innovative solutions to its pressing challenges. He asked the representatives to share their sector-specific requirements and the need for GIS (Geographic Information System) technologies to enhance efficiency with the State Government, so that these could be reviewed according to local needs and realities.

A strong advocate of technology-driven governance, the Governor remarked that geo-smart technologies can enhance governance, enable analysis, and remotely monitor the progress of planned projects. He said that the integration of technology into governance holds the promise of transforming service delivery and enhancing the quality of life for people across the State.

The Chief Minister, along with the State Chief Secretary, Shri Manish Gupta, and other senior state government officials, actively participated in the meeting. They shared their perspectives, offered valuable insights, and highlighted key issues and priorities concerning the State.

PRO to Governor  
Arunachal Pradesh  
ITANAGAR, September 19, 2025
