Physical fitness, discipline, character-building and academic excellence must remain the core pillars of education in such institutions: Governor to Principal, SSES

**Maintain the campus to the highest standards and ensure that it remains conducive to academic learning, personality development and extracurricular activities:
Governor to Principal, SSES**

The Principal of Sainik School East Siang, Pasighat, Col Anant Thapan, called on the Governor of Arunachal Pradesh, Lt. General KT Parnaik, PVSM, UYSM, YSM (Retd.), at Lok Bhavan, Itanagar, on 10th August 2026. The Principal briefed the Governor on the institution's academic performance, co-curricular achievements, infrastructure development, future aspirations and the challenges faced in nurturing young cadets in a rapidly evolving educational environment.

The Governor underscored the institution's vital role in nurturing disciplined, responsible and patriotic citizens committed to nation-building. He said that Sainik Schools have consistently contributed to nation-building by preparing students for leadership roles in the Armed Forces and other spheres of public service. He emphasized that physical fitness, discipline, character-building and academic excellence must remain the core pillars of education in such institutions.

Highlighting the importance of a holistic learning environment, the Governor advised the Principal to maintain the campus to the highest standards and ensure that it remains conducive to academic learning, personality development and extracurricular activities. He said that a clean, well-maintained and vibrant campus inspires students to strive for excellence and instills in them a sense of responsibility and pride.

Col Anant Thapan assured the Governor that the school remains committed to providing quality education and all-round development opportunities to its cadets. He reiterated that Sainik School East Siang will continue to lay a strong foundation for producing disciplined, confident and capable young citizens dedicated to the service of the nation.

The Principal, Sainik School East Siang also apprised the Governor of the challenges the school has been facing due to incomplete infrastructure, inconsistent power outages and erosion of part of the school premises due to excessive floods. He had taken up these issues with appropriate state authorities.

The Governor assured the Principal to take up the issues with the State Government to enable proper functioning of the Sainik School.
