NITI Aayog member Dr. Joram Aniya calls on the Governor

Governor shares with the member NITI Aayog of all initiatives which are being taken by the State and Lok Bhavan in realm of education, health, tourism and technology for projecting Arunachal Pradesh at the national stage

NITI Aayog can play a transformative role by providing a long-term vision, data-driven policy guidance, and evidence-based planning tailored to the State's unique geography, ecological wealth, and socio-cultural diversity: Governor

Governor urges NITI Aayog to facilitate greater inter-ministerial coordination and support resource mobilization for key infrastructure projects

NITI Aayog Member Dr. Joram Aniya called on the Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.), at Lok Bhavan, Itanagar, on 18th September 2026. During the meeting, they held wide-ranging discussions on strategic planning and policy support, infrastructure and connectivity development, and pathways for sustainable and inclusive growth in the State.

The Governor emphasized that Arunachal Pradesh, endowed with immense natural resources, rich tribal heritage, and strategic importance as a frontier State, requires development solutions that are both innovative and region-specific. He said that NITI Aayog can play a transformative role by providing a long-term vision, data-driven policy guidance, and evidence-based planning tailored to the State's unique geography, ecological wealth, and socio-cultural diversity. Such support would strengthen Arunachal Pradesh's journey towards the goals of Viksit Arunachal and Viksit Bharat@2047, he said.

The Governor shared with the member NITI Aayog of all initiatives which are being taken by the State and Lok Bhavan in the realm of education, health, tourism and technology for projecting Arunachal Pradesh at the national stage. He solicited support of NITI Aayog for the same.

Highlighting the importance of connectivity as a driver of progress, the Governor urged NITI Aayog to facilitate greater inter-ministerial coordination and support resource mobilization for key infrastructure projects. He pointed out that investments in roads, digital networks, power, healthcare, education, and border-area development would not only improve the quality of life of the people but also enhance tourism, trade, economic opportunities, and national security.

The Governor also drew attention to sectors where Arunachal Pradesh enjoys significant natural advantages, including hydropower, horticulture, organic farming, tourism, bamboo, medicinal plants, and the green economy. He stressed initiatives that promote innovation, entrepreneurship, skill development, women-led growth, and youth empowerment, ensuring that the benefits of development reach every village while preserving the State's pristine environment, cultural traditions, and indigenous heritage.

PRO to Governor
Arunachal Pradesh
ITANAGAR, September 18, 2026
