NCC HQs Group Commander calls on the Governor

Governor emphasizes the need to encourage more students to enroll and benefit from NCC activities

Integrating physical fitness, personality development and career guidance into NCC programmes would help cadets prepare for the Armed Forces, Agniveer opportunities and other public services: Governor

The Group Commander of National Cadet Corps (NCC) Headquarters, Tezpur, Brig Mayank Vaid, called on the Governor of Arunachal Pradesh, Lt Gen KT Parnaik, PVSM, UYSM, YSM (Retd.), at Lok Bhavan, Itanagar, on 12 October 2026. They discussed ways to strengthen and expand NCC activities across the State.

The Governor appreciated NCC Headquarters, Tezpur, for successfully conducting activities in Arunachal Pradesh and commended the State's cadets for their participation and commitment in the Republic Day Parade and Prime Minister's Rally.

Sharing his thoughts on the NCC's role in youth development, the Governor said that the organization must continue to instill discipline, leadership, patriotism, unity and a spirit of service. Its training must help young people build confidence, develop character and become responsible citizens committed to society and nation-building. He emphasized the need to encourage more students to enroll and benefit from NCC activities.

The Governor stressed NCC to expand its reach by establishing more units in schools and colleges, particularly in remote and border areas, ensuring that rural and tribal youth have greater opportunities for personal development and leadership. He also called for greater emphasis on adventure activities, trekking, mountaineering, disaster management, environmental conservation and national integration programmes, in coordination with the Indian Army and other security forces.

The Governor also stressed the need to strengthen training infrastructure, provide adequate equipment and qualified instructors, and organize regular camps. Integrating physical fitness, personality development and career guidance into NCC programmes would help cadets prepare for the Armed Forces, Agniveer opportunities and other public services, he said.

The Governor expressed confidence that expanding the NCC network would empower the State's youth and nurture disciplined, capable and patriotic citizens.

PRO to Governor
Arunachal Pradesh
ITANAGAR, October 13, 2026
