**Dr. APJ Abdul Kalam plants a tree at Rajbhawan**

**Itanagar, Aug 4:** Before leaving Raj bhawan after winding up his two days visit to the state of Arunachal Pradesh, the former President of India Dr. APJ Abdul Kalam planted a flower plant popularly known as “Aak Jora” in the premises of the Governor House here this afternoon.

State Governor Gen J.J Singh, State First Lady Anupama Singh, besides Officers and Officials from Raj Bhawan and Protocol department were present on the occasion. The former President was given a warm send off from the Raj Bhawan Helipad attended by the Governor along with his wife and senior government officers including Chief Secretary Tabom Bam.

Earlier, in the morning Dr Kalam witnessed a documentary feature on Poma Bamboo Processing Centre, a pilot project of the Raj Bhawan in the Film hall of the Raj Bhawan before heading for NERIST to attend the Convocation programme.
